

AI-Native Leadership — Executive Course

Course Duration

- Option A: 1 day (Executive Intensive, four compressed sessions)
- Option B: 2 days (full immersive, four half-day workshops)

Target audience

- C-suite, executive sponsors, board members, heads of transformation, chief risk/compliance officers.

Course introduction

A strategic, governance-first program that equips senior leaders to set AI strategic intent, prioritize high-ROI opportunities, and establish executive governance for safe, measurable AI adoption. Designed to produce an actionable leadership brief or a full roadmap that aligns value, risk and operating model changes.

Learning outcomes / objectives

Participants will be able to:

- Anchor AI to business value using Financial ROI Mapping (cost savings, revenue uplift, risk reduction).
- Set strategic intent and define 90-day leadership commitments.
- Apply AI-First thinking to one strategic initiative and identify HITL boundaries.
- Establish executive governance across the Five Governance Pillars: Ethical AI, Financial Controls, ESG Alignment, Human-in-the-Loop (HITL), and Data Sensitivity Management.
- Produce an executive deliverable: 1-page AI-Native Leadership Brief (1-day) or a full AI-Native Leadership Roadmap (2-day).

High-level agenda (compressed 1-day / full 2-day mapping)

- Session 1 — Financial ROI Priorities: value pools, ROI scoring, data sensitivity flags.
- Session 2 — AI-First Initiative: redesign one strategic initiative; identify governance constraints.
- Session 3 — Governance Essentials: HITL matrix, risk scoring, ESG and data controls.
- Session 4 — Integration & 90-Day Plan: combine outputs, leadership commitments, governance checkpoints.

Group size & format

- 5–6 participants per group for breakout work.
- Each half-day (2-day option) follows: framing (20 min), mini-briefing (45 min), break, workshop (90 min), break, synthesis (25 min).

Primary deliverable

- 1 day: AI-Native Leadership Brief (strategic intent, top ROI bets, governance principles, 90-day actions).
- 2 day: AI-Native Leadership Roadmap (detailed milestones, governance charter, 12-month view).
